1. 2021 Annual Campus Safety and Security Report

The Crime Awareness and Campus Security Act, more commonly known as the Clery Act, is contained (along with other security-related disclosure requirements) in section 485 of the Higher Education Act, codified at 20 U.S.C §1092. It requires colleges and universities to keep records and report annually on the nature, date, time, and place of crimes occurring on campus, including hate crimes.

A. *Distribution of Policy Information*

New students are informed during orientation day about the Campus Safety process, as well as precautionary measures to take in order to be safe while in school or outside of school. A hard copy of the Clery Act Policies and Procedures, as well as the Drug and Alcohol Policies and Procedures are provided to students who are present during the orientation. Those who did not attend the orientation are sent an email with the pdf link of the digital copy of the Clery Act Policies and Procedures and Drug and Alcohol Policies and Procedures.

Before October 1st of each year, a mass email is sent to all current students, staffs and faculties with the updated link to the Clery Act Policies and Procedures, Annual Campus Safety and Security Report, and Drug and Alcohol Policies and Procedures, a hard copy of the updated handbooks is kept in the Library, so that it is readily accessible for students/staffs and faculties to review.

UEWM does not maintain dormitories or other facilities that are used outside of regular college hours. Sufficient faculty and staff are available throughout the building and grounds during business hours to reduce the likelihood of crime during school hours.

Students and employees are encouraged to be vigilant and observant, and to protect themselves and each other by promptly reporting suspicious activity to proper authorities immediately. UEWM does not maintain a law enforcement department or employ a security force. It is each person's responsibility to report any incident of observed or suspected criminal activity by calling 911 and/or informing the Campus Security Officer or other personnel.

UEWM believes that individuals have the right to work, study, and learn in a safe and secure campus setting. UEWM and its students and employees share the responsibility of maintaining this atmosphere by taking reasonable precautions, being vigilant, and using a common-sense approach to personal safety.

B. Campus Crime Reporting

UEWM is committed to providing timely and appropriate response services for any reported incident regarding its student's safety in the campus.

<https://uewm.edu/doc/2020%20Annual%20Campus%20Safety%20and%20Security%20Report.pdf>

In determining whether a crime should be included in the annual crime report, UEWM asks the following three questions:

- a. Was the crime reported to our Campus Safety Officer Authority (CSO)?
- b. Is it a Clery-reportable offense?
- c. Did the crime occur in a Clery-reportable geographic area?

In preparing this report, UWEM requests the crime statistics from the Sunnyvale Public Safety Department. It is the responsibility of our CSO to report any crimes they become aware of to the UEWM President and/or the Sunnyvale Public Safety Department. Given other Clery requirements, such as the requirement to provide timely notices about crimes, and notification of emergency situations, it is important that Campus Safety reporting be performed promptly.

The procedure for notifying students and the community about any crimes on campus is to send a text to all students and employees and evacuate the building. The alarm system automatically notifies the Sunnyvale Police Department.

The content of the notification to students and employees will include the date and time the notification is issued, whether classes have been cancelled, and when it is expected that the emergency will be resolved so that classes can resume. The notification will also provide a name, email address and phone number of the Campus Security Officer if additional questions or concerns need to be addressed.

The CSO maintains a log of all reported crimes.

C. Crime Statistics and Data

The Campus Security Report includes statistics concerning the occurrence of offenses reported to campus security that occurred on campus, in or on non-campus buildings or property, policies regarding procedures to report crimes committed on campus, security of and access to campus facilities, and campus law enforcement. Data on campus crime used in the creation of the Annual Campus Security Report will be collected from internal UEWM incident reports and local Police Department records. To receive information, please ask a University administrator for a copy of the most current report or review the most current copy in the library when it becomes available.

D. Policy Statements

The annual crime and fire safety reports will always contain this policy, these procedures, and practices. UEWM's statement of current campus policies and procedures on reporting criminal actions and other emergencies occurring on campus must be made in a timely manner to the campus administrator on duty at the time regarding the occurrence of crimes listed in the Clery Act. If the reporting student or staff member is not sure if it is a crime, they are obligated to still report the incident immediately to the administrator on duty at the time of the incident.

E. Timely Warning Notice

The Clery Act requires UEWM to communicate a serious crime or emergency to the campus community in a timely way. This is a particularly important piece of the law, since most complaints triggering Department of Education Clery audits are at least partially related to a failure to issue these notices. Timely warning notices must be considered for all Clery Act crimes that are (a) reported to Campus Safety Authority or local police and (b) determined by the UEWM to represent a serious or continuing threat to students and employees

F. Security Awareness Programs for Students and Employees

Safety and security awareness programs are in place for students and employees. The common theme of awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The safety rules, including crime prevention, are available in the library and reviewed with students during orientation. Security, including crime prevention, is reviewed with employees at hire dates and during staff and faculty meetings. Crime prevention handouts are also available to students and employees in the Library.

Instructors are required at the start of each term to discuss emergency evacuation procedures and safety policy on the first day of class. Visual emergency exiting layouts are posted at the entrances of all campus rooms and Emergency Classroom Procedures are also posted.

G. Emergency Notifications and Response Testing

UEWM will distribute immediate emergency notification warnings to the campus community upon confirmation of a dangerous situation on campus involving an immediate threat to the health or safety of students or staff regardless of whether a crime is involved.

Examples of emergencies that would warrant such a notification include: an active shooter on campus, a riot, a bomb threat, a tornado, a fire, and similar situations involving active and substantial threats.

UEWM will conduct annually tests of emergency response and follow-through activities designed for assessment and evaluation of emergency plans and capabilities.

H. Emergency Response and Evacuation Policies and Procedures

Emergencies are unexpected events which must be dealt with urgently to protect the health and safety of others. Emergencies may be related to natural disasters such as earthquakes, criminal activity such as armed robberies, environmental disasters, or highly contagious health concerns.

The President and Academic Dean have the authority and are responsible for overall management and administration of the Emergency Action Plan (EAP). The Emergency Action Plan (EAP) that includes emergency response and evacuation procedures and identifies the role of staff, faculty, and students to protect their mutual health and safety.

I. Emergency Information

Emergencies are identified by campus staff, faculty, students, other campus community members, the campus NOAA (National Oceanic and Atmospheric Administration) emergency alert radio, and forms of

public media and notification. Anyone wishing to report an emergency should contact the President or other available administrative staff as soon as safely possible using the most efficient means available.

J. Emergency Notification

UEWM will, without delay, and considering the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. The entire campus community will be notified when there is the potential that a very large segment of the community will be affected by a situation or when a situation threatens the operation of the campus as a whole.

If deemed necessary, the local community will be notified of the emergency through local law enforcement and/or public health agency.

Upon confirmation of a significant on-campus emergency or dangerous situation involving an immediate threat to the health or safety of students and employees, the President or Academic Dean will issue an emergency notification and notify the appropriate local emergency response teams, law enforcement and individuals on campus who are in harm's way. Local authorities will determine when and if it is necessary to notify the surrounding community.

The President or Academic Dean will determine what information should be contained in the emergency notification. The Academic Dean and IT Department will be the responsible to notify students/employees through e-mail and/or text message. The emergency notification may be issued via e-mail, text message, classroom announcement, alarm or any combination of methods determined to be necessary. Students and employees should regularly check their e-mail accounts. The alerts will identify the appropriate action to take to have students and employees avoid the confirmed danger and minimize injuries. Depending on the situation, additional emergency notifications will be disseminated as information becomes available. In addition, if deemed necessary, UEWM's administrative staff will contact parents, guardians, spouses and those listed as emergency contacts by the student via phone. Other staff and faculty members may be designated to assist with assigned tasks.

Evacuations to safe locations will be implemented when necessary and proceed in an organized manner. per UEWM's Emergency Action Plan (EAP) policy and procedure. All students are required to comply with the plan and the directions given to them by campus safety staff, faculty, public emergency response teams or law enforcement agencies during actual emergencies and drills for their personal safety. At no time during an actual campus emergency or drill shall students be permitted to leave the campus unless directed to do so.

K. Confidential Reporting

UEWM makes every attempt to protect individual privacy, it still has a responsibility to report certain crimes and to provide "timely warnings" to its students and its staffs. This is done without providing the names of victims. However, there may be instances where the Campus Safety Officer (CSO) and UEWM officials cannot honor a request for complete "confidentiality" because of their duty to report.

UEWM will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

L. Fire Safety and Missing Persons

Fire Safety

UEWM does not have on-campus residential facilities; therefore, it is not required for the school to publish a fire safety report, which would include fire statistics and a description of each fire safety system, as well as seven fire-related policy statements. The single building in use by UEWM overhead fire sprinklers which are inspected every two years and fire extinguishers every year.

The institution's academic facility has posted exit signs throughout the building and shows gathering areas outside the building. As mentioned above the entire building has an overhead sprinkler system so the likelihood of a major fire consuming the building is highly unlikely. If there is a small fire there will be water damage not fire damage and everyone will have enough time to leave the building including the handicapped.

UEWM's library contains information on fire safety and training programs for the students and employees' access.

Missing Person

Report all missing persons to the UEWM Registrar who will contact the student's emergency contacts and will escalate the missing notification and call the Sunnysvale Public Safety Office (police). After an investigation has determined that a student is missing, the institution will make a notification to the staff and students, depending on whether they are over or under 18 years of age.

M. Emergency Response and Evacuation Drills

Emergency response and evacuation drills are conducted, at minimum, annually and all student, faculty and staff participate and conduct themselves appropriately. Tests may be announced or unannounced at the discretion of the Campus Director. Tests are evaluated for needed improvement. At a later drill, any needed improvements will be tested, and if successful, included in the campus procedures. If unsuccessful, different approaches will be tried until acceptable results are achieved. UEWM documents, for each test, a description of the exercise, the date and time and whether it was announced or unannounced

N. Emergency Action Plan Review and Dissemination

The plan, including any updates resulting from the annual plan review, is reviewed with new students and employees during orientation, in classes, and at several faculty meetings during the year. Evacuation routes are identified in each classroom and other areas the President deems necessary.

Students and employees are encouraged to be responsible for their own security and the security of others. Employees and students are expected to follow safe practices while on campus property. Following safe practices will reduce the possibility of accidental emergencies and increase the effectiveness of the campus response to unforeseen emergencies.

The campus community is obligated to report all unsafe activities, potential and real emergencies, and/or criminal activities to the President or Academic Dean as soon as possible.

O. UEWM Crime Log

A hard copy or electronic crime log which includes information on all reported crimes, including the nature of the crime, the date and time the crime occurred, the general location of the crime, and the disposition of the complaint, if known, is maintained by the Campus Security Officer (CSO). In the absence of the CSO, the log is maintained by the President. Person's interested in reviewing the log may call UEWM and speak with the CSO.

2. Drug Prevention Program

A. *UEWM's Drug and Alcohol-Free CAMPUS Policy and Procedures*

What is the purpose of UEWM's Drug-Free Campus?

The purpose of the Drug-Free Campus is to implement a drug prevention program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by all students and employees on the University's premises or as part of any of its activities. In order to promote healthy living and demonstrate to our patients we live the life we preach we must have a drug and alcohol-free campus.

UEWM's drug prevention program includes the following:

(a) UEWM will distribute annually in writing to each employee, and to each student who is taking one or more classes for any type of academic credit except for continuing education units, regardless of the length of our student's program or course of study, our DAA program policy.

(b) UEWM's Standards of Conduct absolutely prohibit the unlawful possession, use, or distribution of illicit drugs and/or any use of alcohol by students and employees on its property or as part of any of its activities.

B. *Sanctions*

The unlawful manufacture, distribution, dispensation, possession, and/or use of controlled substances or alcohol is regulated by several federal, state and local laws. These laws impose legal sanctions for both misdemeanor and felony convictions. Criminal penalties for convictions can range from fines and probation to denial or revocation of federal benefits (such as student loans) to imprisonment and forfeiture of personal and real property.

Students: UEWM will impose disciplinary sanctions on students and employees (consistent with local, State, and Federal law). Depending on the severity of the drug or alcohol violation, UEWM will counsel the student or employee on the first offense, place a note in the student's academic file but not on their transcript unless the act is egregious. ((a) (1) of this section)) Entering into a professional rehabilitation program may be required by the Dean or Vice President at the student's expense if there is an expense. (Note: the above reference to services may be free.) The student or employee will be required to bring letter from the counsellor or clinic stating they are clean and sober and in remission. Second offenses or willful egregious acts will result in up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct. For the purpose of this section, a disciplinary sanction may include the completion of an appropriate rehabilitation program.

Employees: UEWM will impose disciplinary sanctions on employees (consistent with local, State, and Federal law). Depending on the severity of the drug or alcohol violation, UEWM will counsel the employee on the first offense, enter a professional rehabilitation program may be required by the Director of Human Resources or Vice President at the Employee's expense if there is an expense. (Note: the above reference to services may be free.) The employee will be required to bring letter from the counsellor or clinic stating they are clean and sober and in remission. Second offenses or willful egregious acts will result in up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct. For the purpose of this section, a disciplinary sanction may include the completion of an appropriate rehabilitation program.

C. *Federal Penalties and Sanctions for Illegal Possession of Controlled Substances*

•21 U.S.C. § 844(a)

❖ 1st Conviction: Up to 1-year imprisonment and fine of at least \$1,000 or both.

D. State Penalties and Sanctions for Illegal Possession of Controlled Substances

The framework for the regulation of most drugs, also called controlled substances, is set out in the California Uniform Controlled Substances Act. Generally, as of February 2006, it is a criminal offense:

- To illegally manufacture, sell, distribute, or possess controlled substances listed in the California Uniform Controlled Substances Act. Sunnyvale Codes Concerning Alcohol and Illicit Drugs: <http://qcode.us/codes/sunnyvale/>
- To possess, cultivate, sell, or possess for sale marijuana.
- To use or be under the influence of a controlled substance.
- To transport, sell, or distribute marijuana to a minor or to use a minor to transport, sell, or distribute marijuana.
- To provide any alcoholic beverage to a person under 21 or to any obviously intoxicated person.
- To be under the influence of alcohol in a public place and unable to exercise care for one's own safety or that of others.
- For persons under 21, to have any container of alcohol in any public place or any place open to the public.
- To operate a motor vehicle while under the influence of alcohol or other intoxicants or with a blood alcohol level of 0.08% or higher.
- For any person under the age of 21 to operate a motor vehicle with a blood alcohol level of 0.05% or higher.
- To have an open container of alcohol in a motor vehicle and for persons under 21 to drive a vehicle carrying alcohol or to possess alcohol while in a motor vehicle.
- To have in one's possession or to use false evidence of age and identity to purchase alcohol.
- For any person under the age of 21 to purchase alcohol.

9.66.010. Alcoholic beverages—Drinking and open containers in public.

http://qcode.us/codes/sunnyvale/view.php?topic=9-9_66-9_66_010&frames=on –

- a. It is unlawful for any person to drink any alcoholic beverage upon any public right-of-way (including the street, park-strip, sidewalk and public property up to the private property line), lane, alley, public park and other public property unless the consumption of alcoholic beverages is expressly permitted

for that location pursuant to a permit or ordinance and the consumption is in conformance with the terms of that permit or ordinance, or except as may be otherwise authorized by the city.

- b. It is unlawful for any person to possess any can, bottle or other container of any alcoholic beverage which has been opened, or a seal broken, or the contents of which has been partially removed, upon any public right-of-way (including the street, park-strip, sidewalk and public property up to the private property line), lane, alley, public park or other public property unless the consumption of alcoholic beverages is expressly permitted for that location pursuant to a permit or ordinance and the possession is in conformance with the terms of that permit or ordinance, or except as may be otherwise authorized by the city, or the possession is expressly allowed by a preemptive state law.
- c. It is unlawful for any person to drink or possess an open container of any alcoholic beverage while upon any private parking lot open to the public unless expressly permitted by the owner or operator of the private parking lot in conformance with a permit or ordinance or as otherwise authorized by the city.
- d. This section is intended to have no application to situations which would invoke application of state laws, including, but not limited to, restrictions on the drinking, possession or storage of an open receptacle containing an alcoholic beverage while a person is in a motor vehicle upon a highway (California Vehicle Code Sections 23121, 23122 and 23123), or restrictions on the possession of an intoxicating liquor by a person under the age of twenty-one on a public street or highway or on any public place or in any place open to the public (California Business and Professions Code Section 25662). (Ord. 2505-95 § 1).

9.66.020. Violation.

- (a) Any person violating any provision of this chapter shall be guilty of an infraction, and if convicted, shall be fined in accord with Government Code Section 36900, as determined by a court of competent jurisdiction.
- (b) Each day any violation of this chapter occurs shall constitute a separate offense. (Ord. 2505-95 § 1).

Getting Help

Employees who are concerned about substance use, abuse, and rehabilitation are strongly encouraged to contact their family physicians.

E. Provision of Pastoral Counselors

Counseling In accordance with the Clery Act regulations, Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. The Institution contracts with Talk One-2-One, a free service, which provides confidential professional counseling via the telephone 24 hours per day, 7 days a week.

This service can be reached at 888-617-3362. The Talk One-2-One counselor may refer a student for limited visits with an area network mental health provider or assist the student with locating resources within the community. As a matter of policy, the counselors are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary, confidential basis for inclusion into the annual crime statistics San Jose SMSA or the University Crime statistics found online on the University website. The National Institute on Drug Abuse Hotline (1.800.662.4357) is available from 8:00 a.m. to 2:00 a.m., Monday through Friday and from 11:00 a.m. to 2:00 a.m. on weekends.

F. *Alcohol Counseling, Treatment, and Rehabilitation Services*

We are fortunate in Santa Clara County to have all the resources available for drug or alcohol counseling, treatment, or rehabilitation or re-entry programs listed in ONE place on the internet. Additionally, there is a toll-free number you can call where they will direct you to the service provider needed. The phone number is 1-800-488-9919. The website is:

G. *Policy Distribution and Evaluation*

All incoming/current students and incoming/current employees are required to be given a copy of the standards of conduct and the statement of disciplinary sanctions, after October 1st of each year. UEWM will notify employees and its students that UEWM is in compliance with the standards of conduct each year. A digital copy will be posted for students on the website, and a hard copy will be distributed. UEWM will conduct and biennial review this DAAPP program during every odd numbered year beginning in 2015. The purpose of the review is to:

- (1) Determine its effectiveness and implement changes to the program if they are needed; and
- (2) Ensure that the disciplinary sanctions are consistently enforced.

UEWM's program for all **students** includes the following:

- a. The average age of UEWM students is 49. The school is a professional graduate medical University. While our regular curriculum includes healthy living for a long life and the protection of our organs and muscles our drug and alcohol education and prevention programs addresses the legal, social, and health consequences of drug and alcohol use and provides information about effective techniques for resisting peer pressure to use illicit drugs or alcohol for all students in all levels or degree programs of UEWM operated or served by UEWM.
- b. Students are not to use or possess illicit drugs or use alcohol to excess since this is wrong and harmful to the body and a poor example to your patients.
- c. Students are clearly prohibited from the unlawful possession, use, or distribution of illicit drugs and alcohol on UEWM premises or as part of any of its activities.
- d. UEWM will impose disciplinary sanctions on students and employees (consistent with local, State, and Federal law).

Depending on the severity of the drug or alcohol violation, UEWM will council the student or employee on the first offence, place a note in the student's academic file but not on their transcript unless the act is egregious. Entering a professional rehabilitation program may be required by the Dean or President at the student's expense if there is an expense. (Note: the above reference to services may be free. The student or employee will be required to bring letter from the counsellor or clinic stating they are clean and sober and in remission. Second offenses or willful egregious acts will result in up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct required by paragraph. For the purpose of this section, a disciplinary sanction may include the completion of an appropriate rehabilitation program.

- e. Information about any drug and alcohol counseling and rehabilitation and re-entry programs that are available to students.

UEWM's program for all **employees** must, at a minimum, include the following:

- a. The standards of conduct for UEWM employees clearly prohibits, at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol on school premises or as part of any of its activities.
- b. UEWM will impose disciplinary sanctions on s employees (consistent with local, State, and Federal law). Depending on the severity of the drug or alcohol violation, UEWM will counsel the employee on the first offense, enter a professional rehabilitation program may be required by the Director of Human Resources or Vice President at the Employee's expense if there is an expense. (Note: the above reference to services may be free. The employee will be required to bring letter from the counsellor or clinic stating they are clean and sober and in remission. Second offenses or willful egregious acts will result in up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct. For the purpose of this section, a disciplinary sanction may include the completion of an appropriate rehabilitation program.
- c. Information about any drug and alcohol counseling and rehabilitation and re-entry programs that are available to employees.

We are fortunate in Santa Clara County to have all the resources available for drug or alcohol counseling, treatment, or rehabilitation or re-entry programs listed in ONE place on the internet. Additionally, there is a toll-free number you can call where they will direct you to the service provider needed. The phone number is 1-800-488-9919.

3. Sexual Assault, Domestic Violence, Dating Violence and Stalking Policies

A. Violence Against Women Act (VAWA) – TITLE IX

The Violence Against Women Reauthorization Act of 2013 (VAWA) (Pub.L 113-4), which, among other provisions, amended section 485(f) of the HEA, otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery). The Clery Act requires institutions of higher education to comply with certain campus safety and security related requirements as a condition of their participation in the Title IV, HEA programs. Notably, VAWA amended the Clery Act to require institutions to compile statistics for incidents of dating violence, domestic violence, sexual assault, and staking and to include certain policies, procedures, and programs pertaining to these incidents in the annual security reports. VAWA amends section 668.46 of title 34 of the Code of Federal Regulations (CFR) to implement these statutory changes. Additionally, this updated section incorporates provisions added to the Clery Act by the Higher Education. Opportunity Act enacted in 2008.

All institutions are charged with adopting the following VAWA requirements:

- A statement that the institution prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking.
- A clear definition of what constitutes domestic violence, dating violence, sexual assault, and staking in the applicable jurisdiction.
- Safe and positive options for bystander intervention in order to prevent or intervene when there is a risk of sexual violence or stalking against another individual.

- Information on risk reduction to recognize warning signs of abusive behavior or how to avoid potential attacks.

A student or employee who reports to the University that the student or employee has been a victim of domestic violence, dating violence, sexual assault or stalking, whether the offense occurred on campus or near campus, the following policy and procedure will be followed. These procedures also provide an explanation of the student and employee's rights and options.

University of East-West Medicine is committed to maintaining a safe and secure work and academic environment, free of any form of sexual misconduct, including domestic violence, dating violence, sexual assault, stalking, and sexual harassment. A violation of the Violence Against Women Act shall constitute grounds for disciplinary action, up to and including dismissal from the University.

B. Definitions

Sexual Violence Defined

Relationship Violence includes Domestic Violence and Dating Violence. Domestic violence consists of abusive behavior that is used by an intimate partner to gain or maintain power and control over the intimate party and can take the form of assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, false imprisonment or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. Dating violence is violence committed by a person who has been in a romantic or intimate relationship with the victim. Whether there was such a relationship will be gauged by its length, type, and frequency of interaction.

Sexual Assault

Sexual Assault is defined as non-consensual, or abusive sexual advantage of another person or a non-consensual sexual touching (fondling) or intentional unwanted touching of any body parts.

Stalking

Stalking is a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his or others' safety, or to suffer substantial emotional distress. Stalking includes the concept of cyber-stalking, a particular form of staking in which electronic media such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact are used.

Consent

Consent is defined as intelligent, knowing, and voluntary agreement to engage in specific activity and shall not be construed to include

What You Need to Know

Recognize and Avoid Abusive Behavior Such As:

1. Frequent yelling directed at a partner
2. Blaming partner for own faults.
3. Name calling
4. Consistently accusing partner of infidelity.
5. Kicking, holding, slapping, or scratching.
6. Use of verbal/abusive comments
7. Forcible sex

C. *What to do if you are a victim of sexual assault, domestic violence, dating violence or stalking*

If you are a victim of sexual assault, domestic violence, dating violence or stalking, your first priority should be to get to a place of safety. If necessary, you should then obtain necessary medical treatment. UEWM strongly advocates that a victim of sexual assault, domestic violence, dating violence or stalking report the incident in a timely manner. Especially for crimes committed on or near campus, the offense should be reported to the President or Academic Dean using a UEWM Crime Report Form. In addition, victims should report directly to the local law enforcement agency, but reporting is at the victim's discretion. UEWM will notify victims of how the President or Academic Dean can assist them in reporting the crime to local law enforcement, if they wish to do so

As stated previously, victims of crime may not want to pursue action with UEWM or the criminal justice system and may still want to consider making a confidential report to keep the campus community safe. With permission, the President or Academic Dean of UEWM can complete a UEWM Crime Report Form on the details of the incident without revealing the victim's identity.

Time is a critical factor for evidence collection and preservation. It is important that you preserve evidence as it may be necessary to prove a criminal case, or for obtaining an order of protection. Contacting law enforcement as soon as possible can help you to preserve evidence. Victims of a sexual offense or sexual assault should not bathe, shower, or wash their clothes before going to the hospital. Preserving evidence is important in later pursuing a criminal or other judicial case, such as UEWM's disciplinary procedures.

UEWM will always respond and assist victims of sexual assault, regardless of stranger and no stranger sexual assault. In addition, UEWM will request victims to provide the identification and if available, the location of any and all witnesses.

The police department is located at 700 All America Way, Sunnyvale, and the phone number is 408-730-7100. A call to 911 will be routed to the Sunnyvale PD.

Filing a police report with the local law enforcement agency will not obligate the victim to prosecute nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault, domestic violence, dating violence or stalking receives the necessary medical treatment;
- Provide the opportunity for collection of evidence helpful in prosecution which may not be able to be obtained later;
- Provide the opportunity for collection of evidence as it may be necessary to the proof of criminal or institutional conduct proceeding arising from the report of sexual assault, domestic violence, dating violence or stalking or in obtaining a protection order; and
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

If a student believes they have been assaulted or sexually harassed by any member of UEWM community or while participating in a UEWM sponsored activity, he/she is urged to bring the matter to the immediate attention of the Dean of Academic Affairs or the President of the University. When an instance of sexual assault or harassment on campus is reported, the UEWM counselor will work closely with the student(s) involved. UEWM does not have specifically trained sexual assault counselors on campus.

UEWM will take all precautionary measures in order to protect the safety of its students/staffs/faculty, this means, that if there is a report of an alleged offense, and the victim is in the same academic class with the accuser, the institution management/Dean and administration will make accommodation for the

victim, such as separation of class (if another class is available for the term) or offer an independent study for the term (if the course allows for it.) or allow the student to drop the class without any penalty to the student, until another class is available (if no other option is available for the term.)

Persons involved in a sexual assault incident will be referred to the highly trained YWCA and BAWAR counselors and personnel. The local agencies Young Women Christian Association (YWCA) and Bay Area Women against Rape (BAWAR) have agreed to accept referrals in such cases. They YWCA and BAWAR counselors will inform the student as to his/her options, and if necessary, accompany him/her to the hospital and/or law enforcement agency as is appropriate. Please refer to the UEWM sexual assault guideline booklet for more information, available in the Administrative Office.

D. Sexual Assault, Domestic Violence, Dating Violence or Stalking Counseling Services

UEWM does not provide on-campus counseling services. However, UEWM can refer the victim to a non-related, outside counseling service such as a local rape counseling center and/or domestic violence agency. Such agencies can provide mental health, victim advocacy, legal assistance and other services for victims. Victims will be notified in writing of the non-related, outside services available.

UEWM does contracts with Talk One-2-One, a free service, which provides confidential professional counseling via the telephone 24 hours per day, 7 days a week. This service can be reached at 888-617-3362. The Talk One-2-One counselor may refer a student for limited visits with an area network mental health provider or assist the student with locating resources within the community. As a matter of policy, the counselors are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary, confidential basis for inclusion into the annual crime statistics San Jose SMSA or the University Crime statistics found online on the University website.

E. Disciplinary Action for Sexual Assault, Domestic Violence, Dating Violence and Stalking

The victim of sexual assault, domestic violence, dating violence or stalking may choose for the investigation to be pursued through the criminal justice system. To initiate disciplinary action against a student or employee, a UEWM Crime report must be filed with the President or Academic Dean.

The representative appointed by UEWM will have received annual training on the issues related to sexual assault, domestic violence, dating violence and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

UEWM will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

UEWM will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding

F. Sanctions

The Title IX Committee/Sexual Misconduct Board may recommend suspending or expelling any student who is found responsible for sexual misconduct. However, the Title IX Committee/Sexual Misconduct Board may impose any sanctions which it feels is appropriate. The past violations of the responsible student may be considered. The Title IX Committee/Sexual Misconduct Board will also consider whether the sanctions will be an end to the violation in question, reasonably prevent a recurrence of a similar violation and/or whether the sanctions mediate the effects that the violation had on the complainant and UEWM's students/staffs/employees/faculties. The sanction imposed by the Title IX Committee/Sexual Misconduct Board is effective immediately unless the case is appealed. However, in cases where the welfare of the complainant or its students/employees/staffs/faculties may be at risk, the Title IX Committee/Sexual Misconduct Board may make probation, suspension or expulsion immediate pending the outcome of the timely appeal. There is a possibility to overturn the imposition of such sanctions during the appeals process or may allow the responsible student to attend classes or engage in another type class activities with a supervision or on a monitored basis, a modification to the original sanction may also occur, pending the outcome of the appeal.

G. Reasonable Accommodations for Victims

UEWM will provide written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for victims, both within the institution and in the community.

If requested by the victim and if such accommodations are reasonably available, victims of sexual assault, domestic violence, dating violence or stalking may have an option to change their academic, transportation and working situations, regardless of whether the victim chooses to report the crime to local law enforcement. In addition, UEWM will make reasonable accommodations to assist victims with schedule and/or academic changes if an order of protection, order of no contact, restraining order or similar lawful order is issued by a criminal, civil or tribal court. UEWM will maintain confidentiality of any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

UEWM will provide victims a written notification of reasonable accommodations available to their circumstance and the method for selecting these options. Reasonable accommodations may include changes to an academic schedule, working situations or protective measures. These accommodations or Protective measures can be provided if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to UEWM or local law enforcement. The notification will also include information of UEWM's existing services and other services available in the community. These services include health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims.

Should the complainant request their identity to remain confidential and or does not want to pursue the filed complaint, UEWM still has the duties to investigate and to take reasonable action regarding the allegation in order to protect the campus and its students/faculties/employees. However, UEWM's response may be limited, particularly when the respondent's name is unknown. The complainant's request for confidentiality will be weighed against the potential threat a known respondent may pose to the campus and its students/faculties/employees, whether there have been other complaints of sexual misconduct against the respondent, and the respondent's right to receive information about the allegations if the information is maintained by UEWM in accordance to the FERPA regulation.

UEWM reserves the authority to undertake an appropriate investigation and can issue a “no contact” order, take interim measures as needed, make accommodations and to resolve a case as it is deemed appropriate on a case by case basis.

UEWM is required to report certain types of sexual misconduct in its annual crime statistic reports, but the complainant’s name and other details of the incident will not be made public in the annual crime report.

UEWM is also required to report any incident which might be classified as sexual assault to the Sunnyvale Police Department. It is the complainant’s right not to file a report with the Police and/or to contact Rape Trauma Services to require the presence of a Sexual Assault Counselor at any time.

H. Bystander Intervention – Safe and Positive Options

Every situation is different and there is no universal response when intervening to prevent sexual violence. Safety is the key in deciding when and how to respond to sexual violence. Every person must decide for themselves the safest and most meaningful way to become an engaged bystander. The following are ideas on how one can maintain safety while being an engaged bystander:

- If you witness sexual violence, get support from people around you. You do not have to act alone.
- Practice with friends and family about what you would say and how you would say it.
- When intervening, be respectful, direct and honest.
- If the offender is known to you, ask them to leave the potential victim alone.
- If you see or hear something and you do not feel safe, call 911 instead of putting yourself in danger.
- Remain at the scene as a witness instead of leaving. The perpetrator will be less likely to commit the assault with a witness there.

Additional information about preventing sexual assault is available in UEWM’s Learning Resource Center.

I. Risk Reduction and Prevention Programs

While you can never completely protect yourself from sexual assault, there are some things you can do to help reduce your risk of being assaulted.

- Walk with a friend, especially at night.
- Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
- Try to avoid isolated areas. It is more difficult to get help if no one is around.
- Walk with purpose. Even if you don’t know where you are going, act like you do.
- Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
- Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
- Make sure your cell phone is with you and charged.
- Don’t allow yourself to be isolated with someone you don’t trust or someone you don’t know.
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.

UEWM maintains literature and other information to educate students and employees about the prevention and awareness of sexual assault, domestic violence, dating violence, date rape, risk reduction and stalking in the Library. In addition, UEWM has a list of resources available locally that can provide counseling and additional information and services. Prevention programs and information is reviewed with all new students, and annually with students and employees.

J. Sex Offender Registry

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, UEWM is providing a link to the State of California Department of Justice's register sex offender's website. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by the State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In California, convicted sex offenders must register with local law enforcement under California's Megan's Law

The registry is available via Internet and is available at the following web address: <http://www.meganslaw.ca.gov/>

K. Sexual and Other Unlawful Harassment Prevention Policy:

UEWM provides a safe working and educational environment that is free of sexual and other unlawful harassments and protects our students and staffs from such act(s). Sexual harassment is unlawful under the Title IX of the 1972 Education Amendments, Title VII of the Civil Rights Act of 1964, and the California Fair Employment and Housing Act. Any harassment, threat or offer by any employee of the university to condition any aspect of a student's academic performance, reputation or standing upon the provision of sexual favors is prohibited. Any other harassment of any member of the campus community by any other member resulting in the creation of an offensive, intimidating or hostile academic or employment environment is similarly prohibited.

L. Reporting an Incident

All Faculties and staffs of UEWM are hereby required to report any allegations of sexual misconduct. This report should outline the facts and be submitted to the Dean or Academics or the Title IX Coordinator. All members of the University and its community are encouraged to make reports via these same methods.

The Title IX Coordinator can be reached via email at hui ping.lo@uewm.edu. The Title IX Coordinator who receives notice of a sexual misconduct allegation will schedule a meeting with the complainant to provide a general understanding of the policy and to identify forms of support. The initial meeting the Title IX Coordinator will outline various options which the complainant has in terms of proceeding.

During the initial meeting, the following will be established with the complainant.

- Meeting with the complainant may be kept confidential, to the extent feasible, and or not to pursue the complaint.
- Informal Resolution (after the investigative report)
- Formal Resolution via hearing with the Sexual Misconduct Hearing Board (after the investigative report.) Alternatively, the complainant may opt for either informal or formal resolution after reviewing the incident report.

The Title IX Coordinator will send a letter of sexual misconduct to the respondent, regarding the said allegations, and will also schedule a meeting the respondent. The purpose of this meeting is to explain the process, to answer any questions and to review any accommodation.

M. Investigation Process

Allegations of sexual misconduct complaints will be treated with seriousness and importance and will be investigated. The investigation will be led by the Title IX coordinator along with another professional member who has received training in sexual misconduct cases. The role(s) of the investigators is to gather information, facts, evidence and witnesses and is transparent and non-bias. The completed investigation report may contain, audio record and written transcripts from the witnesses interviewed, physical evidence found, duty logs, and analysis conducted during the process of investigation.

A completed report of the investigation will be submitted within 2 to 3 weeks from the date the complaint was reported. However, the Title IX Coordinator may need additional time should an in-depth analysis need to be made, depending on the severity of the case reported. The investigative report will be presented to the Title IX Committee/Sexual Misconduct Board (which consist of the President/Vice President and Academic Dean) and all facts/analysis will be discussed in a closed room setting. During this meeting, the summary of the investigative report will be available for review, in which the Title IX Committee/Sexual Misconduct Board may propose modifications to the findings and or sanctions which are outlined in the summary report.

N. Resolution

Formal Resolution Process- A Formal Resolution Process will be determined by the Title IX Committee/Sexual Misconduct Board on a case-by-case basis, depending on the outcome of the investigation proceedings.

Notice of Hearing- At the event that the complaint proceeds with the formal resolution, then the Title IX Committee/Sexual Misconduct Board will issue a notice for a formal hearing, this will include the date, place and time of the hearing and the name of the chosen Board member selected to hear the case. The complainants and respondents may choose to request for a different Board member for the hearing, but it must be having a viable reason for their objection of the Board member. At the event that either complainants or respondents fail to appear at the set scheduled hearing, the Title IX Committee/Sexual Misconduct Board may vote to postpone the proceedings or have the selected Board member proceed based on the investigative report and other information.

UEWM provides the accuser and the accused with the same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice.

Pre-Hearing- The complainant and the respondent may, after receiving notice of the hearing, provide the Title IX Committee/Sexual Misconduct Board with a list of witnesses whom they would like to call to the hearing. This should be done no later than 3 days prior to the scheduled hearing. During this time, the complainant and respondent should also provide the Title IX Committee/Sexual Misconduct Board with any additional documentation they would like the Board member to consider. The selected Board member has the right to deny the use of additional documentation or witnesses whose statements would deem inappropriate or irrelevant to the case at hand. The Character witnesses are one example of a witness who would be rejected. Both the complainant and the respondent are responsible for ensuring that their witnesses attend the hearing, the selected Board member also has the right to contact witnesses to the hearing that may pertain to the case.

Outcome of Hearing- The outcome of the hearing will be presented, after the end of the formal hearing and will be delivered in writing no later than two weeks after the conclusion of the deliberation and closing of the formal hearing. Simultaneous notification, in writing, will be provided to both the accuser

and the accused regarding the result of any institutional disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault or stalking.

O. Appeals

The complainant and the respondent have the right to appeal the outcome of either decisions of responsibility or the sanction made by the selected Board member. Any appeals must be submitted in writing to the Title IX Committee no later than two weeks from the received decision of the hearing. Upon receiving an appeal, the Title IX Committee may appoint a designee to hear the appeal. Either the Title IX Committee and/or the designee will inform the other party in writing of the appeal, including the basis for the appeal (i.e. unduly harsh sanction, contestation of responsibility, etc.) In cases where the Title IX Committee or designee opts to overturn the sanctions which were imposed pending appeal, the complainant will be informed.

Title IX Committee or designee will gather all written documentation and will review the recording of the formal hearing. Title IX Committee or designee may also meet with either the complainant or the respondent or any of their witnesses. The complainant and the respondent may bring a support person to the appeal meeting. However, the rule for the support person's participation is the same as the formal hearing; they may offer advice to the student but may not speak on their behalf. The Title IX Committee or designee will inform both the complainant and the respondent of the decisions no later than two weeks from the final interview with either party or their witnesses. The appeal letter will include the finding/analysis which upheld or overturned Title IX Committee/Sexual Misconduct Board decision and the sanction, if any. There is no appeal of the Title IX Committee or designee's decision.

Recordings- A voice recording will be set up during all preliminary interviews and during the hearings and an official written transcript will be made, these are evidentiary in cases that the matter goes beyond UEWM and may be forwarded to Sunnyvale Police should an escalation need to be pursued. The recording made are property of UEWM.
