

REGISTRATION INFORMATION – Fall 2025

The regular registration period for current students is

from **July 21(Mon) to August 20 (Wed), 2025**

<http://www.uewm.edu/registration/mstcm>

1. **The late fee and Add/Drop fee are \$75.** (There are no late fees or Add/Drop fees for forms submitted during the regular registration period.)
2. **Even if the class starts during the later part of the semester, you have to register during the regular registration period; otherwise, you are subject to the late registration fee.**

Steps to register during regular period:

1. Fill out a registration form online **using your UEWM.edu email account** before the end of the open reregistration period in order to avoid late fee: <http://www.uewm.edu/registration/mstcm> 2. Once approved, the Finance will email you the invoice. Then pay the tuition together with the Registration fee (\$38) and Instructional Resource Fee (\$120). **The registration is completed only after your payment is completed. You must pay within 7 days after you receive your invoice from Finance, or your registration form will be null and void.**

- Registration form with no course selected will not be accepted.
- For clinic courses (**CL2-CL7**), you must apply to the Clinic Manager or Director clinic.admin@uewm.edu before registering.
- **Submit only one registration form per semester.** If you want to **change**, use the **Add/Drop form**.

If you do NOT register during the regular period:

You may still follow the same steps as the above. But **the registration must be done before the end of the 2nd week of the new term (Sep 14, 2025) or before no more than 20% of instruction has been completed for that course.** At that time, **a late registration fee of \$75** shall be added in addition to the existing fees. **Add/Drop procedure:**

- * You cannot add a course after the second week of the new semester or more than 20% of instruction has been completed for that course.
- * An Add/Drop fee of \$75 shall be charged on every application form, not by the subject. * The Add/Drop fee of \$75 will be waived in the case of class cancellation. *Students who drop the canceled class within one week will be qualified for a refund, otherwise, the balance will be automatically credited to their account.*

Please note:

- * Be sure you have taken the **prerequisite(s)** for a specific course before you register for it. *Check the school catalog for prerequisite(s).*
- * **You cannot register for more than 22 units per semester. This includes clinics.** * An invoice will be sent to your email after approval from the Registrar and Academic Office. Payment is required within 7 days of receipt. You should receive a payment confirmation from the Finance Office. If you do not receive confirmation, always request a receipt, especially for cash payments.
